

## GENERAL INFORMATION

Each applicant must be sponsored by one member of the Senior Golfers of South Carolina, Inc. The sponsor is required to write a separate letter of recommendation, stating fully his personal knowledge of the applicant. Initiation fee and dues payment may be deferred when making application for membership until action is taken on the application. If applicant is accepted for membership, he will be notified, and the initiation fee and annual dues must be paid at that time. No approved membership application will be activated until these amounts are paid. Each applicant accepted for membership is required to pay a \$25.00 initiation fee. This fee pays for administrative costs in setting up required records and files for a new member. In 2025, annual dues will be \$60.00. Annual dues will be prorated quarterly based on date of application approval. The membership year is based on the calendar year.

### WEBSITE

SGSC maintains a website, [www.srgolferssc.org](http://www.srgolferssc.org) in order to pass on important and current information. Tournament results and photos from each event are entered as quickly as possible following each tournament.

# Senior Golfers of South Carolina, Inc.

The mission of the Senior Golfers of South Carolina is to promote friendly golf competition and good fellowship among the senior golfers throughout the state.

The association was founded in 1966 and has operated continuously since that date. Typically, 12 - 16 outings per year are offered in various parts of the state, including one 2-day tournament, which is usually held at a coastal resort in the fall. Wives are invited to these 2-day tournaments, and a ladies' golf tournament is offered in addition to a tour of local interest, when practical.

Membership is open to amateur male golfers who have reached the age of 55, who are legal residents of South Carolina, and who are subscribers of the handicap system administered by the U.S.G.A. Sponsorship by one current member of Senior Golfers of S.C. is required.

SGSC competitions are normally individual net and gross events with players flighted by index and age paired with random playing partners. In 2025, team formats including four and two man events will be included in the schedule.

The dedication to offer a varied array of first-class facilities for our members to enjoy is the cornerstone of our organization.. In 2025, we will return to old favorites including The Country Club of Spartanburg and The Carolina Country Club in Spartanburg, Musgrove Mill in Clinton, The River Club and Mount Vintage in North Augusta, Timberlake CC in Chapin, Edgewater CC in Lancaster, Three Pines in Moore and the Greenwood, Camden and Orangeburg country clubs. New venues will include Clemson's Walker Course and the Wildewood Club in Columbia. Our 2025 schedule will conclude in late October with our two day annual Fall championship at Wachesaw Plantation and The Tradition Club in Pawleys Island. In addition, we will continue our annual Player of the Year competition recognizing individuals across all our divisions for their outstanding play throughout the year.
