

To: Senior Golfers of South Carolina

Gifts to the South Carolina Junior Golf Foundation support junior golf development programs, junior golf competitions, and equipment for juniors. For many years, our organization has supported the SCJGF by making \$50.00 contributions to honor deceased SGSC members. Additionally, we collect used and new golf equipment for yearly donations to the SCJGF to help grow the game of golf for juniors in South Carolina.

During the March Meeting, the SGSC Board of Governors approved a significant gift of \$1,000 to the South Carolina Junior Golf Foundation to honor a deceased member. The honoree for this gift in 2023 is Robert "Bob" Shelor, Jr. Bob passed away in February. He was a member of the SGSC for 30 years. Bob served as Vice-President from 2008-2009 and President from 2010-2011. Many past and present Board members referred to Bob as the "By-Laws Expert." His comments were thoughtful and appreciated. Whether playing or assisting, Bob always wanted to be present for our tournaments and board meetings. He was an avid supporter of our organization and junior golf.

The SGSC Board made an excellent decision to recognize Bob as our first honoree for this gift. Hopefully, significant gifts to the SCJGF and yearly honorees will continue in future years. Doug Bedard will share more information concerning plans for future gifts to the SCJGF within the next couple of weeks.

Thank you,

**James Glenn
SGSC President**
